

Forticrete Group Environmental Policy and Standard Procedures Manual

ENVIRONMENTAL POLICY STATEMENT

As a leading building products manufacturer, the FORTICRETE Group is committed to continuous improvement in environmental performance. It will seek to prevent pollution of the environment and optimise use of energy and resources.

- As a minimum comply with the requirements of all relevant legislation, Regulations and other requirements.
- To be good neighbours in the community in which we operate, investigate any matters brought to our attention.
- We recognise the benefits of continual improvement and are committed to the introduction of a Management System to comply with the requirements of BS EN ISO 14001.
- To reduce to the best practical minimum, the environmental impact of emissions to land, water, air and noise from our activities.
- Increase the environmental awareness of all employees, contractors and suppliers

Forticrete is acutely aware of its responsibilities not to harm the environment during the production and distribution of its products. Environmental management is, therefore an integral part of the operations of Forticrete's business.

Signed on behalf of the Forticrete Group

Shaun Gray
Managing Director
